regiment, was previously reported stationed in the Adolf Hitler Kaserne [redacted] [redacted] As several indications for the presence at the installation of the regiment are available, it can rather safely be believed stationed there.

25X1

25X1A 2. [redacted] Comment. In March 1953, a tank troopers' school and a main tank repair shop of the KVP transferred from Priemerwald to Grossenhain. Available information tended to indicate that the vacated installations had been occupied by Soviet troop units, which assumption is confirmed by the information in this report. [redacted]

25X1C

25X1A 3. [redacted] Comment. Information on the newly constructed installation near Klein Waritz, [redacted] believed was a supply depot, was previously submitted by this and other [redacted] is worth noticing that the construction work is done by troops, which may indicate special security reasons.
